

The Speakers Academy: Effective Public Speaking Made Easy

Do you ever:

- Feel frustrated that others are not getting your point?
- Desire to be more effective in your speaking skills?
- Have difficulty delivering detailed information?
- Want to feel more confident and exude increased credibility when you speak?

“The ability to communicate well is ranked the #1 key to success in business, politics, and professions.”

David A. Peoples, Presentation Plus

The Speakers Academy is designed for professionals serious about improving their presentation skills. This five-part workshop focuses on the key elements of effective presentations: Organization, content, delivery, and visual aids. Graduates leave with increased confidence, are viewed as more credible, have noticeably improved skill, and enjoy greater success with their speaking.

“My sales increased 600% since the training.”
Gary Casey, 501c Agencies Trust

The entire workshop costs only \$895 per person (less for groups) and includes workshop, materials and individualized coaching.

The Speakers Academy is offered for individuals and groups.
